The New Brunswick Community College Foundation Inc. is pleased to announce the addition of two new members to its Board of Trustees.

**Brice Belyea** is the retired Chairman of Canlink Global Inc. and Vice Chairman of Canlink Aviation Inc. Prior to this, he was a Regional Director and Executive Financial Consultant with the Investors Group Financial Services Inc., for over 30 years. Said Mr. Belyea: "I am pleased and honored to be invited to join the NBCC Foundation Inc. Board and look forward to serving to the best of my ability. At a crucial time in the history of our Province, I have been impressed with the role of the Foundation in providing meaningful opportunities for so many New Brunswick men and women. The fact that such a high percentage of graduates find employment right here in NB, is a testament to the partnership between Industry, the College, and the Foundation."

**Jean Allain** is a former Principal of the Bathurst campus of the Collège communautaire du Nouveau-Brunswick. Among the positions he occupied during his many years of service to the college, one of his favorites was that of Director of Student Services. "Following a career of more than 30 years with the *collèges communautaire du N.B.*, I have come to appreciate the true value and the importance of a college education to the development of careers for thousands of New Brunswickers. I firmly believe in the Foundation's mission of supporting needy students financially as they pursue their education. »

The NBCC Foundation is a charitable organization whose chief objective has been to raise capital, invest funds, and generate income in support of bursaries and scholarships to students of the Province's public colleges, based on financial need.

It has been extremely successful in doing so. From 2008 through March 2017, it has issued over \$3.4M in bursaries to over 3600 college students.
