# **NBCC Foundation to award 251 scholarship prizes in 2011-2012**

Fredericton - The New Brunswick Community College Foundation is pleased to announce that it will award 251 scholarships to students of New Brunswick's public colleges for the academic year 2011-2012.

"We are very pleased to be in a position to offer these awards this year" stated the Board of Trustees. "The generous contributions of our donors will ensure that a greater number of New Brunswick learners will benefit from an affordable and accessible post-secondary education. We would like to congratulate past winners and encourage students to apply."

The New Brunswick Community College Foundation was created in January 2006, and has already granted over \$600,000 in awards to NBCC, CCNB and NB College of Craft and Design students.

In the 2010-2011 academic year, the Foundation proudly handed out 198 awards to students attending college in New Brunswick.

Applications and additional information about the scholarships are available through the Foundation's website <http://foundation.nbcc.nb.ca>
